

How to hold a watercolour brush?

A	<p>PINCH</p> 	<p>Grip your brush by the tip of the taper of the brush handle, like you're a conductor about to tap the music stand to make the orchestra come to attention.</p>
B	<p>CONDUCTOR</p> 	<p>Hold your brush like you are passing someone a pencil.</p>
C	<p>SCREWDRIVER</p> 	<p>Hold the brush like the way you hold a pen or pencil for writing. You can use it to sign your paintings.</p>
D	<p>PASS THE PENCIL</p> 	<p>Hold your brush like you are picking up a pencil from a table, pinching it between your thumb and fingers.</p>
E	<p>CLASSIC</p> 	<p>Hold your brush like a screwdriver.</p>
