

**Germination**

You will need: 6 mung beans, containers, soil, water.

Plan

<b>What are you going to do?</b>
I am going to

Predict

<b>Make a guess</b>
Before you start, which seeds do you think will germinate and which seeds will not?

**Do**

Now carry out the experiment

**Results**

**What did you find out?**

Seeds planted in	How did they grow?
Light    heat water	
Light    heat Sugar solution	
Light    heat No water	
Light    no heat water	
No Light    heat water	
No Light    no heat water	
No Light    no heat No water	

**What did you find out?**

**Did you make a good guess?**
