

Shadows

1.

Find

eight objects in class and complete the following chart.

Object	My prediction	Transparent, translucent, opaque

2. Complete:

- What we wanted to find out \_\_\_\_\_.
- What we used \_\_\_\_\_.
- What we did \_\_\_\_\_.
- What are our findings \_\_\_\_\_.

### 3. Match.

- They let some light through, so that you cannot see clearly through them.

Transparent

- They let some light pass through

Opaque

- They do not let any light pass through them. They block the light

Translucent

- They make a shadow.

- They don't make any shadow.
