

Mammals and Birds

1. Complete using the following words. Notice that there are **two spare** words.

**Beak/lungs/hair/limbs/viviparous/gills/feathers/lungs/oviparous/fins**

- Mammals have four \_\_\_\_\_.
- Birds have got two legs, two wings and a \_\_\_\_\_.
- Mammals are covered with fur or \_\_\_\_\_.
- Birds are covered with \_\_\_\_\_.
- Mammals breathe with their \_\_\_\_\_.
- Birds breathe with their \_\_\_\_\_.
- Mammals give birth to live young. They are \_\_\_\_\_.
- Birds lay eggs on land. They are \_\_\_\_\_.

The two **spare words** are \_\_\_\_\_ and \_\_\_\_\_.

2. Write in the correct place:

**Seagull/elephant/dog/robin/hen/cat**

Mammals	Birds

3. Solve these riddles: **robin** or **elephant**?

I've got feathers. I can fly using my wings. I was born from an egg and I breathe through my lungs.

I've got hair and four legs. I live in the forest. I breathe with my lungs. I'm viviparous.
