

Solar System

1. Work in groups and carry out research task on the planets.
You should include:

| | |
|--------------------------------|--|
| Name of the planet: | |
| Description of the planet: | |
| Origin of its name: | |
| Diameter: | |
| Surface: | |
| Temperature: | |
| Average distance from the sun: | |
| Time taken to orbit the sun: | |
| Number of moons: | |

2. Organise and illustrate a written report.

A large, empty rectangular box with a thin black border, intended for students to write and illustrate their reports. The box is currently blank.

3. Give an oral account to the rest of the class.

4. A database could be produced, collecting all information on the planets.
