Tracing practice for diamond shapes. The top row contains six diamonds: the first, third, and fifth are pointing left; the second, fourth, and sixth are pointing right. Below this row is a solid horizontal line, followed by a grid of dashed lines for independent practice.

Tracing practice for house-like shapes. The top row contains four shapes: the first and third are inverted (pointing down); the second and fourth are upright (pointing up). Below this row is a solid horizontal line, followed by a grid of dashed lines for independent practice.

Tracing practice for a zigzag pattern. The top row shows a sequence of horizontal and vertical black bars forming a zigzag. Below this row is a grid of dashed lines for independent practice.

Tracing practice for a vertical zigzag pattern. The top row shows a sequence of vertical and horizontal black bars forming a vertical zigzag. Below this row is a grid of dashed lines for independent practice.
