

Smiling is infectious,
you catch it like the flu.
When someone smiled at me today
I started smiling too.

I passed around the corner
and someone saw my grin,
When he smiled I realised
I'd passed it on to him .

I thought about that smile
then I realised its worth,
A single smile, just like mine
could travel round the earth.

So, if you feel a smile begin,
don't leave it undetected
Let's start an epidemic quick,
and get the world infected!
