

SUSTAINABLE HELP

"To help is to give a hand, not to give alms."

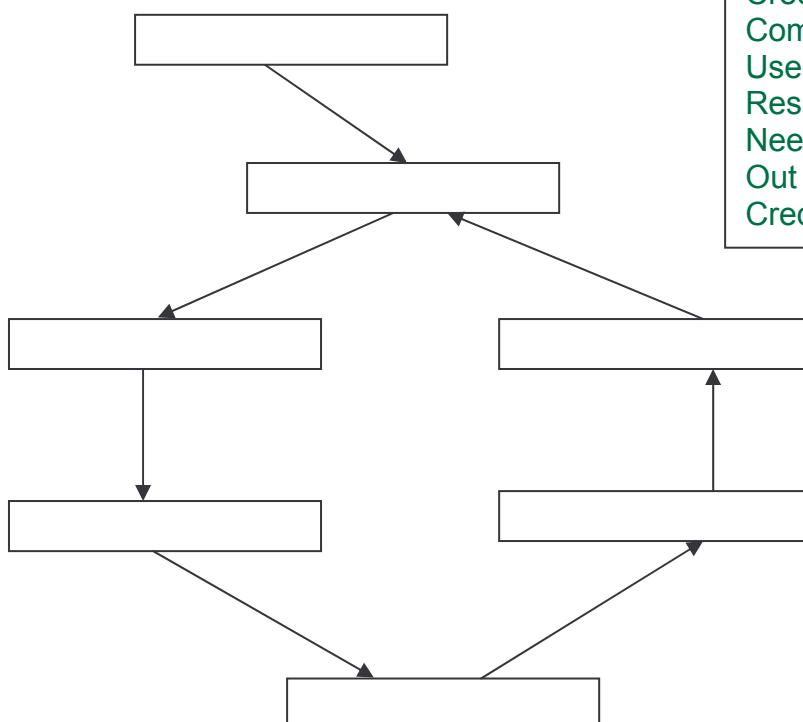

- ♣ Explain the meaning of the sentence written above.
- ♣ Place the words in the right position of the charts.

Alms

Need covered
Alms
Again in need
Dependence
Ask for more
Poverty

Micro Credits

Credit
Community cooperation
Use of local abilities
Responsibility
Need covered.
Out of poverty
Credit paid.

“Poverty in the world is an artificial creation. (...) so the only thing we have to do is to redesign our institutions and policies, and there will be no people who will be suffering from poverty. “

Muhammad Yunus, Nobel Peace Prize 2006.
