

Math Game

Convert km, hm and dam to metres

- * Play with a partner.
- * Cover all numbers with a counter.
- * Take turns to remove a counter and say the quantity in metres.
- * If your partner agrees with you, take the counter and keep it. Otherwise, cover the number with a counter of another colour.
- * Discuss these quantities with the whole group at the end of the game.
- * The winner is the person with the most counters.
