**PLANTS - roots**

**Activity 6**

Why are roots important?

Draw:	Write:

**Activity 6**

- Roots are important because...
  - ... they *prevent/don't prevent* the plant from moving.
  - ... they *absorb/don't absorb* and transport *water/minerals*.
  - ... some roots *store/don't store* food.
  - ... some roots *cling/don't cling* to other plants, walls...
