

46 SELF TEST

C

Read the text and then fill in the blanks with just ONE word.

Who's really politically 1) correct these days? What's our 2) attitude to people with disabilities, for example? And, what about the language that we use? The real meaning of the new 3) words ^{of language} is not very precise. I personally think that political 4) correctness simply doesn't work.

5) Pronunciation. Which word in the first line contains the sound /Δ/?

these

D

Use the words in brackets to make appropriate complete sentences.

1 Spain / is / unemployment / How / a / problem / big / in / ?

How big a problem is unemployment in Spain?

2 don't / I / money / I / think / people / should / homeless / to / give

I don't think I should give money to homeless people.

3 drive / neither / can / my / can't / and / I / Paul / friend

I can't drive and neither can my friend Paul.

4 as / nothing / here / concerned / as / wrong / is / far / I'm / There

There is nothing wrong here as far as I'm concerned.

5 I'm / the / when / shopping / programme / finishes / going

I'm going shopping when the programme finishes.
