PROGRAMA D'IMMERSIÓ LINGÜÍSTICA. COLÒNIES D'ESTIU 2013.

Al final del curs passat us vam informar de les ajudes per participar al programa d'Immersion Lingüística de colònies d'estiu en anglès organitzat pel MEC dirigit als alumnes de 5è i 6è d'E.P. i 1r d'ESO. -->Convocatòria 2013. <--

Dues de les vostres companyes, **Palmira Salvador (5è EP) i Marta Mora (1r ESO)** van sol·licitar la beca i el destí concedit va ser **Cuenca**.

Elles valorem molt positivament aquesta experiència. Van fer moltíssimes activitats, classes d'anglès, esports, sortides culturals, etc.

Marta Mora ha volgut fer una explicació sobre la seva experiència i és aquesta:

" I had a very good time! It was very different to the other English camps. This one was amazing! We were all the time speaking English and if there weren't counsellors, sometimes in Spanish :p

We did the Y-FACTOR that is the same as X-FACTOR but Y because it's YMCA's factor. We didn't win the Y-FACTOR but in my opinion, it wasn't the most important thing to win.

I think that the most important is the ECO-PROJECT. It consists of creating a party that will change de world.

We had to make promises to improve the environmental problems. And we won! Our party was UPE (United Party for the Environment). We are very proud about our party and about us because we had been working very hard and at the end, we see that we can!

Another thing that I really like of the camps is the Daily Competition. I was a competition that we did every day with our groups.

There were: MARMOTS (my group; 10 and 1), WOLVES (9 and 2), BEARS (8 and 3), FOXES (7 and 4), LYNXES (6 and 5) and EAGLES (counsellors).

Every day we had a value; **respect, efficiency, education, coordination, teamwork...**

I really like the way that they focus the camp; we were there to improve our English and to become better people.

To finish, I had I very good time I won't change it for anything. :)"

Thanks so much Marta for your collaboration!!!!

I esperem que aquest any molts més us animeu a sol·licitar aquesta beca per poder gaudir tant com les vostres companyes.

English is fun ☺
