

## When I was with you

When I was with you I dreamed,  
When I was with you I laughed,  
When I was with you I enjoyed.

Because then I am alone,  
My eyes looking for you,  
My heart betrays me,  
He didn't mean to do it.

Big mistake fleeing as I did,  
Big mistake letting you go,  
Big mistake hiding as I did,  
But, is a mistake loving you so much?

I will always love you,  
Only know that is true,  
I will never forget you,  
That is true too.

When I was with you I dreamed,  
When I was with you I laughed,  
When I was with you I enjoyed.
