

## ASSESSMENT OF PART 1:

## COLOURS

This will be a formative assessment. Student progression will be assessed through activity 9 and 10. In this activity students must put into practice most of the learning outcomes of the unit. For activity 10, there will be a self-assessment, a peer assessment and a teacher's assessment.

Self-Assessment				
NAME				
DESCRIPTION	YES	NO	COMMENTS	100
<b>Individual</b>				
Participation in research and group work during the preparation				20
Oral interaction with partners during the work				20
<b>Group</b>				
All the instructions have been followed				10
Questions were clear and had only a word for answer				10
The result is as expected				10
The content summarise the topic				10
Presentation is clear and right				10
Appropriate use of language: accuracy				10
<b>Partial mark</b>				

Peer Assessment				
NAME				
DESCRIPTION	YES	NO	COMMENTS	100/students per group
<b>Individual</b>				
Participation in research and group work during the preparation				50/students per group
Oral interaction with partners during the work				50/students per group
<b>Partial mark</b>				

Teacher's Assessment	
NAME	
DESCRIPTION	100
<b>Individual</b>	
Participation in research and group work during the preparation	20
Oral interaction with partners during the work	20
<b>Group</b>	
All the instructions have been followed	10
Questions were clear and had only a word for answer	10
The result is as expected	10
The content summarise the topic	10
Presentation is clear and right	10
