

Instructions 1

These instructions are for the interactive exercises on order of operations.

Alternatively the teacher can provide 4 different sets of exercises according to level, on printed paper

Please, go to

<http://amby.com/educate/ord-op/>

Then click on **Pre-test**

Solve the interactive exercises

When you finish go to the bottom of the page and click on **GREEN**

Look at Exercise Set #1, if you think it is too easy for you, go to the bottom of this page and click on **NEXT set of PRACTICE EXERCISES**

Proceed the same way, you have four different sets of exercises according to level.

When you have finished go to the post-test by clicking on **take the Post-test** which you will find at the bottom of Exercise Set #4
