

MACHINES MOVE THE WORLD

Self-assessment

Name: _____

LEVEL: _____

When you see this picture

you can write in Catalan if you wish.

SELF-ASSESSMENT

UNIT1. READY, STEADY, GO!

LESSON 1

Date:

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent		...always	
	...was quite good		...most of the time	
	...could be better	...a few times.		
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can recognize objects' motion.				
I can say the name of the lines for describing motion.				
I can make predictions				
I can work in pairs .				

Put a tick

LESSON 2

Date:

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent		...always	
	...was quite good		...most of the time	
	...could be better	...a few times.		
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I know how to calculate the velocity of objects/bodies.				
I can make predictions				
I can use laboratory tools .				
I can work in pairs .				

Put a tick

SELF-ASSESSMENT

UNIT2. FORCES IN ACTION

LESSON 3

Date:

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent		...always	
	...was quite good		...most of the time	
	...could be better		...a few times.	
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can recognize forces like				
I can make predictions				
I know how to calculate the.....				
I can use laboratory tools.				
I can enter results into a simple data table.				
I can explain the conclusion of an experiment.				
I can work in pairs.				

Put a tick

LESSON 4

Date:

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent		...always	
	...was quite good		...most of the time	
	...could be better		...a few times.	
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can recognize forces like				
I can make predictions				
I know how to calculate the.....				
I can use laboratory tools.				
I can enter results into a simple data table.				
I can explain the conclusion of an experiment.				
I can work in pairs.				

Put a tick

SELF-ASSESSMENT

UNIT2. FORCES IN ACTION

LESSON 5

Date:

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent		...always	
	...was quite good		...most of the time	
	...could be better		...a few times.	
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can recognize forces like				
I can make predictions				
I know how to calculate the.....				
I can use laboratory tools.				
I can enter results into a simple data table.				
I can explain the conclusion of an experiment.				
I can work in pairs.				

Put a tick

LESSON 6

Date:

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent		...always	
	...was quite good		...most of the time	
	...could be better		...a few times.	
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can recognize forces like				
I can make predictions				
I know how to calculate the.....				
I can use laboratory tools.				
I can enter results into a simple data table.				
I can explain the conclusion of an experiment.				
I can work in pairs.				

Put a tick

SELF-ASSESSMENT

UNIT3. MACHINES

LESSON 7

Date:

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent		...always	
	...was quite good		...most of the time	
	...could be better		...a few times.	
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can recognize machines				
I can make predictions				
I can explain what a machine is.				
I can work in pairs.				

Put a tick

LESSON 8

Date:

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent		...always	
	...was quite good		...most of the time	
	...could be better		...a few times.	
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can find the materials for the experiment				
I can make predictions				
I know how to order the steps of an experiment.				
I can use laboratory tools.				
I can identify on levers: fulcrum, effort and load.				
I can explain the conclusion of an experiment.				
I can work in pairs.				

Put a tick

SELF-ASSESSMENT

UNIT3. MACHINES

LESSON 9

Date:

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent		...always	
	...was quite good		...most of the time	
	...could be better		...a few times.	
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can recognize all simple machines.				
I can make predictions (direction of the effort).				
I know how machines help us work.				
I can enter results into a simple data table.				
I can say the simple machines.				
I can work in pairs.				

Put a tick

LESSON 10

Date:

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent		...always	
	...was quite good		...most of the time	
	...could be better		...a few times.	
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can recognize the main elements in a picture.				
I can make predictions				
I know the order of a process.				
I can say the conclusion of an observation.				
I can work in pairs.				

Put a tick

SELF-ASSESSMENT

UNIT3. MACHINES

LESSON 11

Date:

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent ...was quite good ...could be better		...always ...most of the time ...a few times.	
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can recognize the main elements in a picture.				
I can make predictions				
I can use laboratory tools .				
I can say the conclusion of an observation.				
I can work in a group .				

Put a tick

LESSON 12

Date:

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent ...was quite good ...could be better		...always ...most of the time ...a few times.	
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can order the steps of the process of our project.				
I can make predictions				
I can use laboratory tools .				
I can say the conclusion of an observation.				
I can work in pairs .				

Put a tick

SELF-ASSESSMENT

UNIT3. MACHINES

LESSON 13

Date: _____

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent		...always	
	...was quite good		...most of the time	
	...could be better		...a few times.	
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can understand the process of how to make a machine.				
I can make predictions				
I can use laboratory tools .				
I can say the conclusion of an observation.				
I can work in a group .				

Put a tick

LESSON 14

Date: _____

I'm getting better at... 	I think that my attitude...		I have been using English ...	
	...was excellent		...always	
	...was quite good		...most of the time	
	...could be better		...a few times.	
	EXCELLENT 	GOOD 	SATISFACTORY 	I'm trying to do it 
I can explain to other groups how our machine works.				
I know all the elements for the presentation.				
I can work in a group .				

Put a tick

Group-assessment

Group: _____

Was the process of building a machine satisfactory? Why? (Put a tick).

It was satisfactory because...	... we collaborated with each other.	<input type="checkbox"/>
	... the result were as expected.	<input type="checkbox"/>
	... we learned the functions of machines by practicing.	<input type="checkbox"/>
	... (Other option).	<input type="checkbox"/>
It wasn't satisfactory because...	... the result weren't as expected.	<input type="checkbox"/>
	... we didn't have enough materials.	<input type="checkbox"/>
	... we didn't have enough time.	<input type="checkbox"/>
	... (Other option).	<input type="checkbox"/>

Group-assessment

Group: _____

Was the process of building a machine satisfactory? Why? (Put a tick).

It was satisfactory because...	... we collaborated with each other.	<input type="checkbox"/>
	... the result were as expected.	<input type="checkbox"/>
	... we learned the functions of machines by practicing.	<input type="checkbox"/>
	... (Other option).	<input type="checkbox"/>
