

PICASSO PIECES

Ana Prieto Estrada

October-December 2010

POST CARD

www.museupicasso.bcn.es

Hi kids,

I'm Pablo Picasso and I invite you to look at my paintings with a game. Do you feel like playing? Follow my directions and you will find out about my life through my drawings.

1. Start at Room 1 of the Museum. Where was I born? _____
2. Go into Rooms 2-3-4 and choose a painting. How do you feel when you look at it? _____
3. Look for 'El abrazo' painting.
4. Find 'Desemperats' painting. When did I paint it? _____
5. Look at my pink period paintings. What is your favourite one? _____
6. Write the title of one painting of Barcelona. _____
7. How many Meninas can you find? What is your favourite one? _____
8. Find a sun in the last rooms. What is it made of? _____

Nice to meet you in my Museum.
See you soon,

Picasso

Draw your own stamp.

A large rectangular area defined by a dashed line, intended for drawing a stamp. The dashed line is composed of small black squares. The area is mostly empty, with a small portion of the bottle illustration from the top right corner overlapping the top-right corner of the dashed box.

Draw your own stamp.

A large rectangular area defined by a dashed line, identical to the one above, intended for drawing a stamp. The dashed line is composed of small black squares. The area is mostly empty, with a small portion of the bottle illustration from the top right corner overlapping the top-right corner of the dashed box.
