

Photocopy this circle and give it to each pupil to cut it.

Steps for the exercise:

<p>1. Write the word WHOLE in the middle of the circle and paint it in one colour. E.g:</p> 	<p>2. Fold the circle in half. Write the word HALF and paint it in another colour</p> 
<p>3. Fold the circle again and write the word QUARTER and paint it in another colour</p> 	<p>4. Fold again and write the word EIGHTH and paint it in another colour. Stick the part that it is not painted on the worksheet 2.2</p>
