

# ELECTRISAVERS

## INSTRUCTIONS

- In your group you need:

TEAM 1

TEAM 2

TEACHER

- Throw two dice. Subtract the high number from the low one.

E.g.   $5 - 1 = 4$

- Take a card and read the question.

- Discuss it and find an answer with your pair.

- The teacher checks if the answer is correct or not. The teacher doesn't say the correct answer.

- If the answer is good move forward 4 squares. If not go back 4 squares.

- The objective is to get to the sign

<p><b>Q1.</b> You are at home, you are wearing a t-shirt and you are cold. What can you do?</p>	<p><b>Q2.</b> You are doing homework in your bedroom with the lights on. You stop and you go to the dining room to play. What should you do before going to play?</p>	<p><b>Q3.</b> You want to prepare a sandwich. You don't know what to put in it. You open the fridge and leave the door open while deciding. Is there any other option?</p>	<p><b>Q4.</b> You leave the screen of your computer on when you finish working.</p>	<p><b>Q5.</b> You stop watching TV. You turn it off with your remote control.
