

What is a Handicap?

All of the things on this list might make life a little harder for someone. Which of these could be considered handicaps, not just a nuisance that you have to deal with for a short time? Put a check mark next to your answers.

1. Having a ragnail

2. Being in a wheelchair

3. Not being able to hear very well

4. Having red hair

5. Being tall

6. Being blind

7. Having only one arm

8. Not being able to read because the letters and words seem all jumbled up

9. Having a cold

10. Having nose bleed

11. Having an artificial leg

12. Sneezing from hay fever
