

### LOVING HIM/HER THE BEST

I love Laura's hairstyle,  
and Barbara's latest dress.  
I love George's reading skills,  
he's a clear reading success.

But \_\_\_\_\_ gets me giggling  
And I love him/her the best

I love Roger's writing,  
I love Ainara's heart.  
I love Ruslan's way of singing  
and the way he paints in art.

But \_\_\_\_\_ gets me giggling  
and I love him/her the best

I love Igor's movement  
and Julia's dancing skills.  
I love the music played by Nest,  
it's from the North, the South,  
the East and the West.

But \_\_\_\_\_ gets me giggling  
and I love him/her the best

I love Eileen's glossy hair,  
I love David's bumpy nose.  
I love Anne's long fingers  
And her straight and pointed toes.  
I love Esther and Pol,  
when I'm feeling sad or stressed.

But \_\_\_\_\_ gets me giggling  
And I love him/her the best.
