

🚩 David Bowie's *Space Oddity* lyrics

***Ground control to Major Tom
Ground control to Major Tom
Take your protein pills and put your helmet on.
Ground control to Major Tom
Commencing countdown, engines on
Check ignition and may god's love be with you.***

***This is ground control to Major Tom.
You've really made the grade,
and the papers want to know whose shirts you wear
Now it's time to leave the capsule, if you dare.***

***This is Major Tom to ground control.
I'm stepping through the door.
And I'm floating in the most peculiar way.
And the stars look very different today.
For here, am I sitting in my tin can far above the world.
Planet Earth is blue, and there's nothing I can do.***

***Though I'm past one hundred thousand miles,
I'm feeling very still
and I think my spaceship knows which way to go.
Tell my wife I love her very much, she knows.
Ground control to Major Tom, your circuit's dead,
there's something wrong.
Can you hear me, Major Tom?
Can you hear me, Major Tom?
Can you hear me, Major Tom?
Can you...
Here, am I floating 'round my tin can far above the Moon.
Planet Earth is blue and there's nothing I can do.***
