# NOTATION BASICS

How many black keys  
can you see here?

How many black keys  
in this other set?

**What do you think that means?**

# NOTATION BASICS

## White Piano Keys

The white keys on the piano are all the natural notes – A, B,C,D,E,F and G.

## Black Piano Keys

In between most of the natural notes (white keys) there is a black key. The black keys are sharps and flats.
