**Esta: a girl from Tanzania**

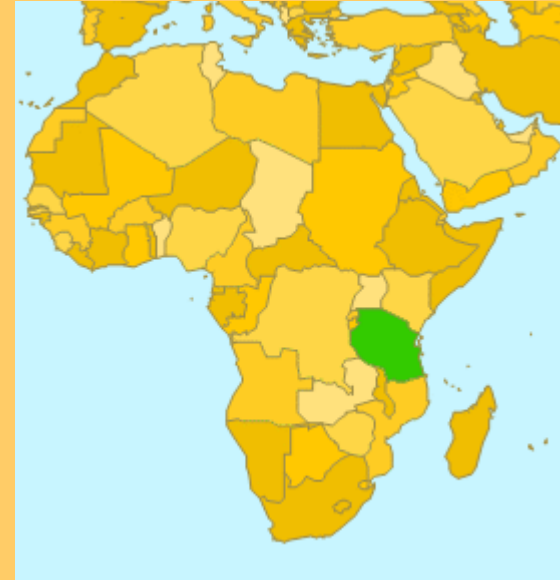

Hello! My name's Esta.  
I'm 12 years old.  
I belong to the Maasai  
people of East Africa.

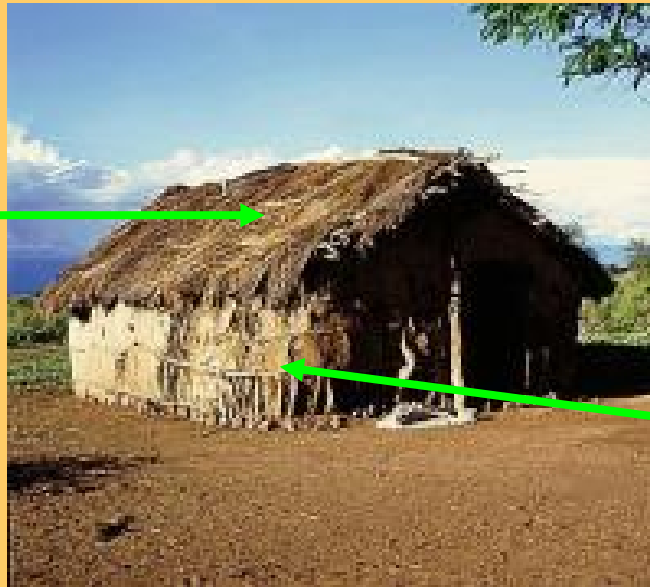

I live in Sanya Station in Tanzania.

This is my home.  
I live in a hut.

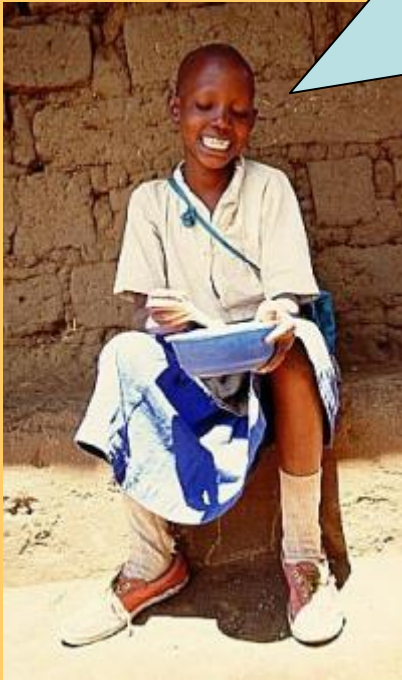

The roof  
is made  
of grass.

The walls  
are made of  
wooden  
poles  
covered  
with dried  
cow dung.

This is me having lunch at school. I often eat “Engurma”. It is a stiff porridge. I also eat meat and beans and drink milk from my cattle.
