Necesites un dau i fitxes

- Quan caus en una casella en blanc, has de fer una frase composta amb les dues imatges de la intersecció. Utilitza el nexxe que et sembli millor dels que tens apuntats.

- Si caus als daus, tornes a tirar i fas la frase de la casella on vas a parar.

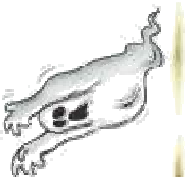

- Si caus a les fletxes, vas a la casella que t'indiquen i fas la frase.

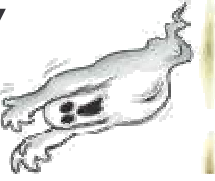

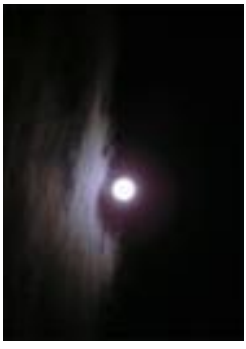

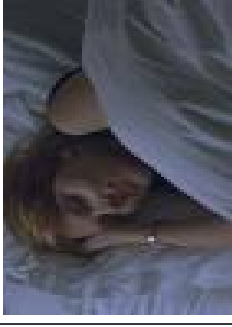

- Si caus al fantasma, tornes a començar.

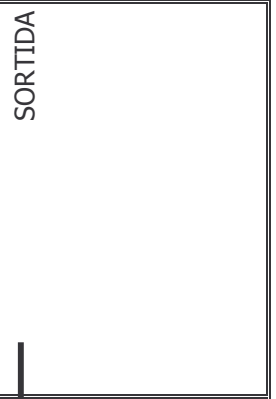

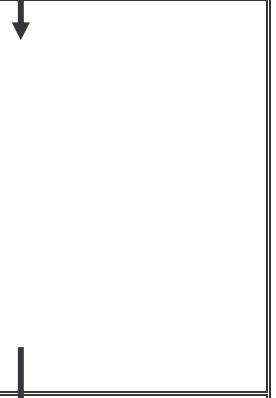

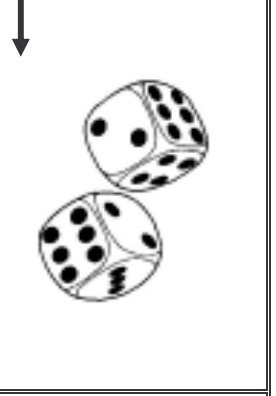

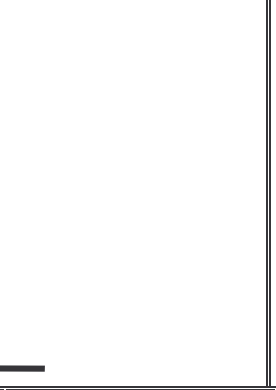

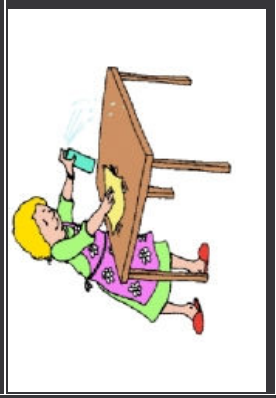

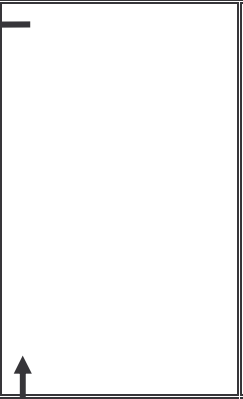

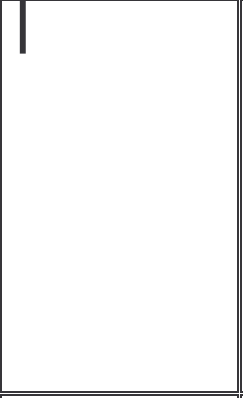

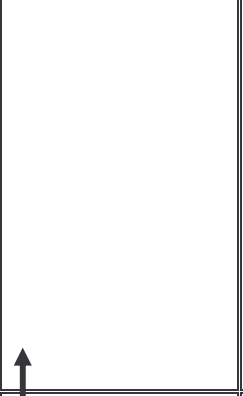

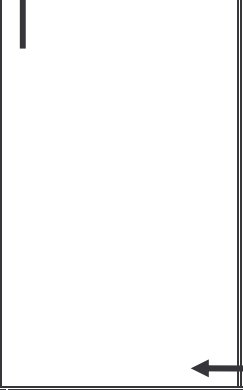

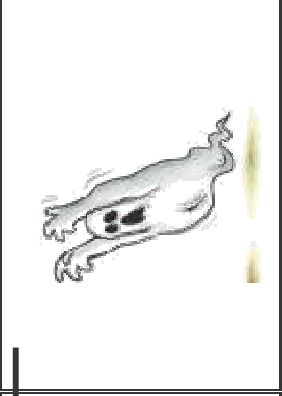

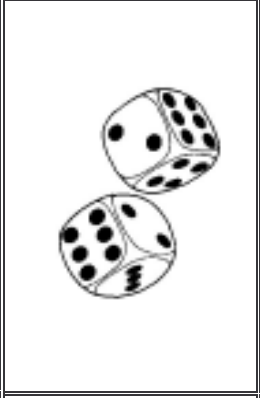

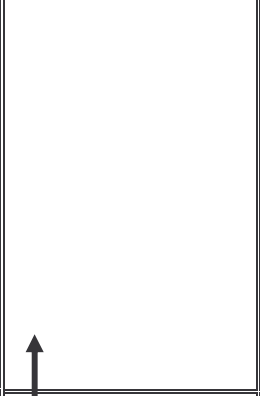

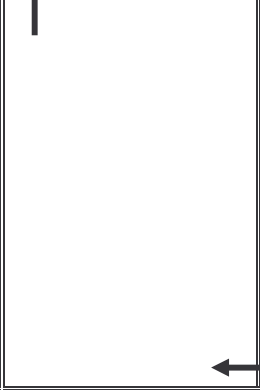

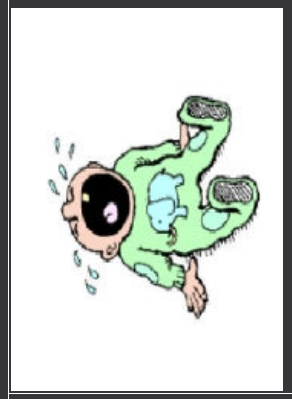

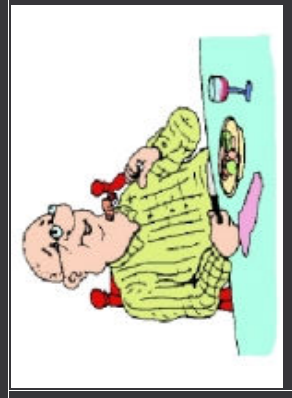

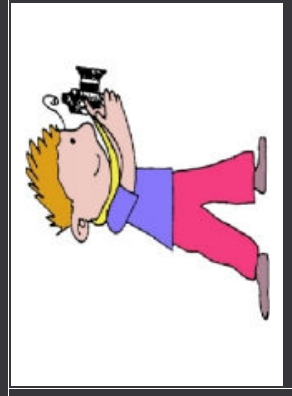

- Guanya qui arriba primer.
