WORKSHEET 5

Nomadic vs Sedentary

These are Neolithic farmers at work in his field:

They were sedentary, not nomadic. How did it affect the way they lived?

1: Match these statements about the Nomadic lifestyle with their consequences:

Nomadic lifestyle

- People have to move their possessions all time.
- People are dependent on natural resources.
- It's easy to get injured and dead on a hunt.

Consequences

- They can go hungry or thirsty.
- They can die of their injuries.
- They can't have many possessions.

2: Match the statements about the Sedentary lifestyle with their consequences:

Sedentary lifestyle

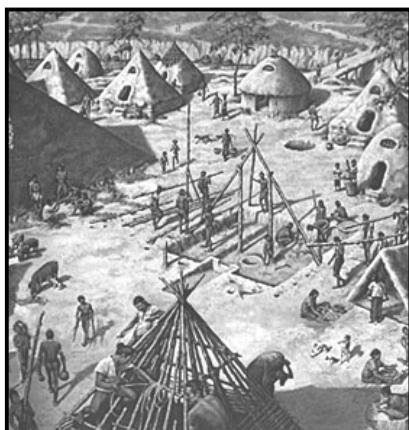

Consequences

- People don't need to move their possessions all time.
- People are not dependent on natural resources.
- A settlement is safer than a cave.

- Their life becomes more comfortable and safe.
- They can have possessions.
- They can store provisions for the winter months.

Which is the better lifestyle?

PREHISTORY LEGACY

Neolithic people were

We are

WORKSHEET 6

Getting protection

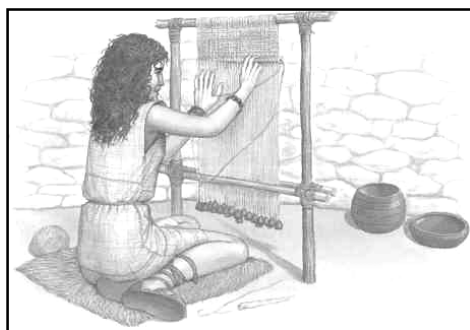

1: Do people need to wear clothes? What do you think?

You have to justify your choice as well.

I think that we need to wear clothes **because...**

I think that we don't need to wear clothes **because...**

2: These actions are linked to the dressmaking. Fill in the gap with the appropriate verb:

She is **W**.....

She is **S**.....

When did people learn to weave?

WORKSHEET 7

The end of the Prehistory: Inventions

1: Read these sentences and write them in the proper place

- People farmed the land and took care of animals.
- They got a lot of food
- People made many tools, weapons, pots, jewels, baskets...
- They had a lot of surplus products
- They need to take their products from a place to another
