

Teaching Notes

TOPIC: The Five Senses	Session: 10
GROUPING: 13 pupils	MATERIALS: - Powerpoint "Disabilities" - DVD: "Charlie and Lola: I want to play music too" - A band to cover the eyes
TIMING: 1 hour	
AIMS: - To protect the sensory organs. - To respect disabled people. - To acquire habits to protect the body. - To respect oneself and others.	

ACTIVITIES:

- Powerpoint "Disabilities": Introducing disabilities, specially the most common ones, deaf and blindness, and the importance of having habits to protect the body. (15')
- DVD: "Charlie and Lola: I want to play music too". Children will watch this chapter of Charlie and Lola twice. The first time, the teacher will play the video without sound and children will try to guess what it is about. Afterwards, the teacher will play it again, but this time with sound, and the children will compare what they understood first and what it really means. (30')
- "Draw a landscape": One volunteer will go to the blackboard and try to draw a landscape following the directions of the teacher. It won't be easy because the child will have his/her eyes covered. (15')
 - o T: Draw a house
 - o T: Draw a tree near the house
 - o T: Draw some clouds
 - o ...

After drawing the picture, the student will have to explain which difficulties he/she found.
