

Teaching Notes

TOPIC: The Five Senses	Session: 7
GROUPING: 13 pupils	MATERIALS: <ul style="list-style-type: none"> - Powerpoint "Touch" - Powerpoint "Taste" - Real food - A list with the name of the students who have got allergies. - A band to cover the eyes
TIMING: 1 hour	
AIMS: <ul style="list-style-type: none"> - To understand that our senses help us to understand the world around us. - To identify the senses and the parts of the body involved. - To learn that the sense of taste helps us to perceive flavours. - To respect oneself and others. 	

ACTIVITIES:

- Powerpoint "Touch": Review of the sense of touch. (10')
- Powerpoint "Taste". Introducing the sense of taste. (15')
- Games (30')
 - o "What's its flavour?" The teacher will have different items of food, something sweet, something salty... There will be a volunteer to taste them all with the eyes covered. The child will have to guess the flavour. (15')
 - o "What are you eating?": The teacher will have different items of food, an apple, chocolate... and will pick up a volunteer to have the eyes covered with the band. The child will try the food and will have to guess what it is. (15')
- "Which sense did we use to play?". Children will talk about the sense they've used to play, the sensory organ, and the actions. (5')
