Hi! My name is Sally. I'm fifteen and I live with my parents in Witney, England. Witney is a small town near Oxford. I like Witney, but there aren't many interesting places in the town. I haven't got any sisters, but I have got one brother. His name is Peter. He's twenty and he's at university. He studies science. I don't like science! Peter doesn't live at home, but he visits in the holidays. That's fun!

I go to school in my town. There's a park near my school. I often meet my friends there after school. My favourite subjects are English and art. I don't study Spanish! I don't like languages. I like school, because all my friends are there. My best friend is Chloe. She's great! She's sixteen. Her sister Ella is fourteen and she's really nice. We sometimes all go to the cinema together. There isn't a cinema in Witney, so we go by bus to a big cinema in Oxford.

Chloe and I like the same music. We love pop music. We really like the Sugababes. Their music is great! I've got tickets to see the Sugababes in concert in July. I can't wait!
