

A LAMP

English work: Lamp

Names: Jordi Blazquez Calderó, Aleix Quirante Arans and Oriol Centelles Pavon

Group: 6th B

School: Miquel Martí i Pol

City: Sabadell

Materials:

A bottle of lemonade

A cable of an old plate

A screen of an old lamp

A bulb

A Bag of rice

Spray painting

Objects to decorate

A drill

Process

1- First we make a hole in the bottle of lemonade

2- We put the cable in to the hole of the bottle

3- We make a hole in the top of the bottle

4- We screw the top of the bottle to the lamp connection

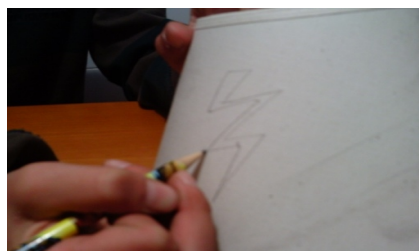

5- Later we paint the bottle with the spray

6- Now we put the bag of rice inside the bottle

7- To end we decorate the lamp

Result: An electric lamp
