4. Imagine you get the marks from school and see you've passed the most difficult subjects. How do you feel?: a. **Proud of having overcome a difficulty**
5. Imagine you've had a row with your parents. How do you feel?: b. **Sorry because they're worried or upset**
6. Imagine a friend of yours is sad. What can you do?: c. **I get close to him/her to see if he/she needs something I can help with**
7. Imagine your classmates go on an outing but you can't because you're punished. How do you feel?: b. **Accept it, think about it and try to find a solution for next time**
8. Imagine a classmate bullies you in front of the others. How do you feel?: c. **Cool down and tell him/her how I feel**
9. Imagine you've lost the money for breakfast. How do you feel?: c. **Explain the situation and ask for the money I need**
10. Imagine you're caught cheating. How do you feel?: c. **I accept it and apologize**
11. Imagine you go to college without having done your homework. How do you feel?: c. **I explain it to the teacher and ask for another opportunity**
12. Imagine you go to sit for an exam without having studied. How do you feel?: c. **Feel sorry, I think I have to try harder to organise my time**
13. Imagine that today your classmates have lost a match against another class. How do you feel?: a. **I accept it, sometimes you win, sometimes you lose**
14. How do you feel when your team loses?: b. **Enjoy the match, it's only a game and it's not worth it to feel angry**
15. Imagine your parents give you the thing you were dying for. How do you react?: b. **Think of the effort they have done, I'm grateful**
16. Think of something your parents have done for you, for example, you are all spending this year's holidays somewhere new. How do you react?: a. **Ask the reason why and then say my point of view**
17. If your parents don't count on you for organising something. How do you feel?: c. **I ask for an explanation because I like being heard**
18. Maybe sometimes you feel rejected from your gang. How do you feel?: c. **Say my point and how I'd like to be**
19. Imagine you've been told of some really bad news and feel like crying. What do you do?: c. **Cry and try to control the situation**
20. My group of friends always think the same as me: C. **It is not basic that we think alike but communicate and respect each other**
21. If I find a friend crying. How do I react?: c. **I comfort him/her, if I can**
22. If I find a friend crying. How do I feel?: d. **Involved**
23. We all develop ourselves at the same pace during teenage: c. **Boys and girls do not develop at the same time**
24. In our society, boys and girls have the same opportunities and are treated alike: b. **They are not treated in the same**

25. At home, do you think boys and girls are asked to collaborate with home chores in the same way?: **Exactly the same - It should be the same but it is not**
26. Do you think that the fact of being a boy or a girl helps you to study?: **Totally disagree, the readiness to study doesn't depend on being a boy or a girl**
27. Do you think that because you are boy or girl it's easier to go out with your friends?: **Totally disagree, the possibility of going out shouldn't depend on being a boy or a girl**
28. Do you think that because you're a boy or a girl it's easier to dress the way you like?: **Totally disagree, being conceited it's not if you're boy or girl**
29. Do you think that being the delegate of a class is more for girls or boys?: **It depends on the boy or girl**
30. I am satisfied with my physical look: **Completely agree**
31. Do you think that your body should be like an actress/actor's who repeatedly appears on the telly?: **I don't think we have to resemble them, everybody must be happy with their body**
32. "I feel better on my own because nobody understands me": **Agree sometimes, but I should do my best to be part of the group**
33. "Friendship means receiving and giving support and help" (Mallet, 1997): **Totally disagree, it's giving generously without being submitted to the others**
34. "I know I love or I'll love someone when she/he is more than a friend and we share a special attraction which makes us a couple": **Partly agree, it can be started after a mutual knowledge or after a special attraction which makes us know better each other**
35. "You can only have one close friend": **Totally disagree and moreover it's dangerous because the idea of isolation from the rest is unhealthy**
36. Aristotle once said: "where men are friends justice is not needed. Friendship is not only necessary but beautiful as well": **Completely agree because if friendship is real it's based upon trust**
37. Martin Luther King Jr. once said: "In the end we will remember not the words of our enemies, but the silence of our friends", this can be understood as: **Depending on the way they act or say nothing we can know whether they're friends or not**
38. Saint Thomas Aquino said: "There is nothing on this earth more be prized than true friendship": **There is nothing more valuable on earth than real friendship**
39. A friend is someone who...: **Understands and shares my worries, hobbies, time**
40. Complete the sentence: A friend always...: **Cares for me**
41. "Envy is friendship's enemy": **Completely agree**
42. "Love is the best eraser" means: **When someone loves truly, all is understood, forgiven**
43. "Love is blind" can be understood as: **What matters in love isn't the look**
44. If you can't see the bad points in the one you love is because we idolize him/her: **Completely agree**
45. We know we aren't in our childhood but in adolescence because the production of hormones increases, producing a chain of physical changes: **Completely agree**
46. When my real love comes to my life I'll know it because: **We'll understand each other and will like to share our future**
47. The person I chose to be my partner has to be...: **Has to understand me and accept me with my defects**
48. The person I'll have as a partner must be: **The one I am well with**
49. In a couple relationship, I think that the one who has to lead is the boy: **Totally disagree, in a couple it's as important what he says as what she says**
50. A girl says: I think that if there's love a girl lets the boy rule because he knows what she needs: **Totally disagree, the girl knows what she wants and has to let the boy know**

51. A boy says: I think that if I fall in love I'll do whatever she wants **Totally disagree, if love makes me be this way, then it's not me, I'm nothing**
52. How do you think your ideal love must be?: **Someone who respects and understands me**
53. What do we mean when we refer to sexual health? **To the continuous state of being physically, psychologically and socially well related to sexuality**
54. What does sexual health imply? **All the answers are true**
55. What do you think is necessary to live sexuality without any problems?: **To live sexuality without any risks**
56. What's the role of sexuality in publicity?: **It's often present**
57. Does people's sexuality last forever? **Yes, sexuality is with the person from birth**
58. Sexuality starts when people begin their first sexual relations: **b False**
