Dearest pen friend,

As you don't yet know me, I'll introduce myself:

My name is Julia. I am 17 years old and I live in Mollerussa. I am tall and thin. I have brown hair and blue eyes. I like fish and chips a lot and I hate vegetables and meat.

Two weeks ago I started working in a shoe shop, as I didn't want to continue studying. At night I am tired, but I like the work and soon I will have the money to buy myself a motorbike.

I have two brothers, Pau, aged 19 and Arnau, aged 12. Both are studying. My father is called Pere and he's a mechanic. My mother is called Karen and she's a nurse.

I am looking forward to receiving a letter and photos from you.  
Best regards,

Julia
