PLANTS - roots

Activity 4

Let's think about root hairs.

A) Look at root hairs. What do you see?

B) Look at the pictures below. What can you see?

		<p>You will see radish root hairs if you check on this web page: http://www.astrographics.com/GalleryPrintsIndex/GP2155.html</p>

C) What are the root hairs for?

Activity 4

- A) - Root hairs are *thin/thick* and *short/long*.
- C) - Root hairs are for *increasing/decreasing* the root's absorbing area.
