Activity 8

Complete the diagram below.

- A) Colour the two big arrows, but before that decide which colour will mean “low temperature” and which colour will mean “high temperature”

Low temperature	COLOUR	High temperature	COLOUR
	<input type="text"/>		<input type="text"/>

- B) Review activities from 1 to 7 and write an activity number in each circle.

Activity 8

- A) - The *low/high* temperature is on the *left/right*.
- B) - Activity (*activity number*) is between *solids/liquids/gases* and *solids/liquids/gases*.
