Rectangle round-up

Practice

1   Copy and complete these rectangles on 1 cm squared paper.
   The perimeters are given for each rectangle.

a

b

P = 18 cm

c

P = 26 cm

P = 16 cm

d

e

f

P = 30 cm

P = 28 cm

P = 20 cm
2   Find three different ways to
    complete this rectangle.

P = 24 cm

3   Construct 5 rectangles each with a perimeter of 22 cm.

4   The perimeter of a rectangle is 60 cm. The shorter side is 9 cm.
    What is the length of the longer side?
