

Monkey Mask

You will need:

Paper

Glue

Scissors

Felt-tip pens

A large paper plate (If you don't have one, you can take a dinner plate and trace it onto a piece of cardboard)

Ribbon

1. Print out the template.
2. Colour the pieces as appropriate and cut them out.
3. Glue the ears, mouth and eyes onto the paper plate.
OPTIONAL: Instead of gluing on the eyes, you can hold up the plate to your child's face and make marks where their eyes are. Then cut holes so the child can peer through the plate.
4. Use a ribbon attached to either side of the plate to tie the mask to the child's head.
